

GUIDE TO FUNDING
OPPORTUNITIES FOR
THE INTERNATIONAL MOBILITY
OF ARTISTS AND CULTURE
PROFESSIONALS

— SPAIN

This guide builds up on previous research carried out for the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**¹ produced by the Foundation Interarts, *On the Move* and PRACTICS and first published online in September 2011.

This present **guides updated in June 2017** specifically focused on **Spain** includes:

- **Mobility funding opportunities open to Spanish nationals and residents in most artistic and cultural disciplines → **Outgoing mobility (OM)**;**
- **Mobility funding opportunities open to nationals from other countries than Spain in most artistic and cultural disciplines → **Incoming mobility (IM)****

The guide lists national, local and international resources, be they public or private. Only regular opportunities accessible online are listed; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are not included. For a full overview of the methodology and scope of the research, please refer to the introduction of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**².

Overall, the main objectives of such mobility funding guides are to make available online, in a transparent way, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in funding for international cultural exchange in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This guide, **updated thanks to the support of the Ministry of Education, Culture and Sports of Spain, with the research support of Jesica Gallego Gómez and the coordination of On the Move**, is an attempt to gather all the resources in one document, and is by no means complete. You can send your comments, suggestions and corrections to: mobility@on-the-move.org

Web-links last checked in June 2017

The mentions Public (Pub.), Private (Pri.) and Public/Private (PP) have been added to highlight the sources of funding.

For regular and one-off calls for projects, collaborations and other opportunities to fund international cultural exchange, we invite you to subscribe **for free** to the monthly newsletter of on-the-move.org.
